**Happy Mother's Day to all Women. Sunday, May 12, 2024**

I pray that all women feel welcome, appreciated, seen, and needed here at St. Matthew's in our little neck of the body of Christ.

-To those who lost a child this year – we mourn with you

-To those who gave birth this year to their first child—we celebrate with you

-To those who walk the hard path with tears, and disappointment we walk with you. Forgive us when we say foolish things. We don't mean to make this harder than it is.

-To those who are foster moms, mentor moms, and spiritual moms – we need you and we love you.

-To those who lost their mothers this year – we grieve with you.

This Mother's Day, we walk with you. Mothering is not for the faint of heart and we have real warriors in our midst. We remember you. We are called to honour the continuum of mothers and mothering on a day which is open to more than one interpretation. Whatever Mother's Day brings for you, I pray that you know with every fibre of your being that you are precious to our God, who sees us and loves us in the midst of it all.

Thank you, God, for the love of our mothers: thank you God for their care and concern; thank you God for the joys they have shared with us; thank you God for the pains they have borne for us; thank you God for all that they give us; through Jesus Christ our Lord.

Amen.

Blessings,

*Gilles+*
