Reflection of the Week

Sunday, May 11

On this day when together we celebrate a mother's love, let us give thanks to the Lord for the life we have received, and for the unconditionally shared love of our mothers:

Loving God, thank you for all the women who help us share your love and your compassion; thank you God for all the mothers, the grandmothers, the sisters, who help us to live in a better world. Thank you, God, for all the female figures who share with us your care and your presence, and the joy of family life. I pray that you will be with those who are grieving today because they no longer have a mother. I pray for those who are struggling because they have no children or family. I pray for all the women and mothers who are working on this day to provide support to those in need. May your compassion and your love always be close to those who give everything to show your unconditional love. We ask this in the name of Jesus Christ our Lord. Amen.

Happy Mother's day!

Blessings, Gilles+
