## A Message from Our Rector

### The Pluses and Minuses of Social Media

Most people, these days, have some involvement with the online world of social media. Our manner of interacting with one another has been revolutionized over the past several years, thanks to platforms such as Facebook, Twitter, Instagram, Snapchat, etc. They have proven to be helpful in many ways, and in other ways, not so helpful. I recently spoke with a colleague who informed me that he was closing down his Facebook account. For him, what had started as an enjoyable way of keeping in touch with friends and family had turned into something that felt a little more sinister. He began to notice that he was growing increasingly upset or troubled by the content of some of the online messages he read. This experience was causing him ongoing stress. Once he terminated his Facebook account, he felt a palpable sense of relief. My colleague certainly isn't the only person who has evaluated the "pluses and minuses" of the world of social media, and I appreciate his concerns. However, every so often, Facebook features a message or article that provides me with something educational or edifying. For example, a few weeks ago, Facebook showed me an item that I had posted way back in 2012. I had long since forgotten it, and after reflecting on the message, I was extremely glad that Facebook had the presence of mind (!) to bring it to my attention six years later. I shared it with our Parish Council in September, and based on the conversation which ensued, they appreciated it as well. The post comes in the form of a simple question, and interestingly enough, it is an appropriate question for us to consider in this Thanksgiving season:

*"What if you woke up today with only the things you thanked God for yesterday?"*

Now, didn't that get your attention?

Thank you, St. Matthew's family, for being who you are, and doing what you do, and for growing in your understanding of what it means to be people who are called to "share God's love as we welcome and care for our community." **Thank you for being more than a virtual community.**

Blessings,

*Andreast*

# From Our Parish Council

Notes from the  
Sept 19 2018  
council meeting

**Welcome to fall, 2018 at St. Matthew's!** We hope you had a good summer. **Your wardens, Janet Williams and Gordon Drake,** are pleased to present the following summary of recent events, as recorded by the Parish Council:

**Roof:** We are pleased to say that the repair work is now complete, thanks to a loan from the Diocese of Huron. The original loan was \$65,000, but we repaid \$20,000 just a few weeks later. The net amount owed on June 30 was \$45,000. We have made 4 payments to date (June, July, August and September). The goal of paying back the loan in short order is achievable, **now is the time to contribute** as much as we are able, to avoid future interest charges. Thank you for your continuing support.

**Finances:** Because of the roof repairs, our expenses have exceeded income, resulting in a net loss of **\$68,548**. This was partly covered by the roof loan (which is not income since we still have to repay!), together with further donations, leaving a net **operating deficit of \$12,227**. We are grateful to all our parishioners for their continued generosity in support of the work of St. Matthew's, and trust that we will balance our finances by the end of the calendar year. In addition, we earned \$800 from the use of our hall in the recent Ontario election, and it is scheduled to be used again for the upcoming federal election.

**Property:** Thanks to the work of Onorio Felet, we now have a new door for the Church Hall at a cost of \$1,434 (including HST). Onorio and John Rossi arranged for grass-cutting services for the summer. We are still in need of a contractor to handle snow removal for the winter. Many thanks to Onorio for his continuing work to maintain the church property, and make sure that everything is working as it should.

**Outreach:** Our Rector Andreas Thiel reported a successful bid for a Jubilee grant of \$3,000 from the Diocese. The grant is in support of the highly successful English as a Second Language (ESL) classes for recent immigrants to our neighbourhood (class of 2018 with their certificates, photo right), with attendance growing each week. It currently stands at around 30 participants. Most significantly, the classes have now been supplemented by Bible studies after each class, filled with enthusiastic participants. Jennifer McAlpine and Gordon Drake made the successful pitch to the Diocese for the grant. The original suggestion for the language programme came from our local realtor Terry Zhang. On a second front, Rev'd. Andreas is continuing an extension of his ministry to include the role of Chaplain at Huron Lodge, involving a time commitment of 10 hours per week; The Parish Council continues to be strongly supportive of this initiative.

photos provided by Rev'd Andreas

Finally, Rev'd Andreas is launching a new programme of "Casual Worship" with the first two services scheduled for Friday, October 19, and Friday, November 30. These are intended to be a form of intergenerational, informal worship, beginning with a complimentary pizza supper, and followed by a devotional service. (See ad on next page.)

**For this Thanksgiving season, let us give thanks to God for our many blessings.**

**As Rev'd. Andreas has asked us to ponder:**

**"What if today, we only had those things for which we thanked God yesterday?"**

Everybody is welcome to attend our meetings,  
usually on the **third Wednesday** of the month, starting at 7:30 PM, in the choir room.

**Next meeting: Wednesday October 17, 2018**

**Auto-deduction giving** – Please consider this option, which helps us meet our monthly financial obligations. To learn more about it, change amount (a small increase can make a big difference!) or switch from credit card to bank account, please contact Beth Felet, our envelope secretary, at (519) 969-3035.

# Pizza 'n' Praise at St. Matthew's Church

**A Casual Worship Experience with music, conversation ...  
But beginning with pizza!**

**Two services this fall, starting at 6:00 pm:  
Friday, October 19 and Friday, November 30**

**An inviting setting for the whole family  
Everybody is welcome!**

## St. Matthew's Annual Yard Sale June 2

The treasures sold at the sale will find new uses in others' homes and bypass the landfill. **A double bonus for God's creation: we recycle our goods, and raise funds for the church!** Delicious baked goods were also offered. **Total collected: \$2,100**

**Thank you to all the people who donated and volunteered, including several members of our English as a Second Language class!**

## LET'S RAISE THE ROOF!

Angelic voices from our choir

On Sunday, June 17, during the 10 am service, we enjoyed a lively Hymn-Sing, featuring compositions as requested by generous parishioners, who made donations towards our Roof Fundraising.

A total of thirteen hymns were part of this delightful and varied program, and about \$ 800 were raised towards our Roof Fund.

**177th Synod of the Diocese of Huron May 27-29 2018 London, Ontario**

## Report by our deacon, the Rev'd Cathy MacKendrick

Bishop Linda led Synod efficiently and graciously. “Rebuild the Church, O Lord,  
And let it begin with me. Amen”

I found this Synod rather tame in respect to various people hotly discussing about issues. However, the upcoming General Synod of the Canadian Church next summer 2019 will be the second reading of the change of the Marriage Canon in which the words man and woman will be replaced by “the parties to the marriage”. It passed in 2016 and if passed the second time the Anglican Church of Canada will accept same-sex couples for legal marriage in their churches. Both Bishop Linda and Archbishop Fred Hiltz addressed the canon and its ramifications – either way – for two sessions of our Synod. If the General Synod should vote to change the marriage canon for the National Church, the Conscience Clause would be in effect. The Conscience Clause permits Diocesan Bishops to opt out for reasons of conscience for their Diocese. It has been used before when the ordination canon was changed to include women for ordination. Bishop Linda spoke honestly and fairly about the importance of listening to both sides on this issue and that no matter the outcome, there will be pain. There will be a need for courtesy and tolerance by everyone. She pointed out that other Anglican Communions around the world are watching the Canadian Church to see how we handle this issue.

Two things that I took away from her were these words:

Our unity is in Christ not in our sameness.

We should demonstrate that we are willing to stay at the Table even in our differences.

I encourage you to get on the Diocese of Huron's website (address, next page), and view the taped discussions at Synod and make note of the resources that are available to everyone to examine.

**“Rebuild the Church, O Lord, and let it begin with me. Amen”**

## Report by our lay delegate to Synod, Margaret Kissau

I remember the first night in the Cathedral, with the wonderful music of the organ and all the voices both in the choir and audience. The place was full and we almost melted as it was over 100 degree inside. Afterwards, we were very glad to go outside for a delicious BBQ, and especially grateful to enjoy a cooler breeze.

The next day at the conference, it was the other extreme, and we almost froze. Bishop Linda addressed us in the morning; she is a wonderful speaker. The theme of this year's Huron Synod was “Being Disciples: Abiding in God's Word”; the rest of the day was devoted to all kinds of reports, including some presentations by lay delegates who shared their own experience of being Christ's disciples.

It was overall a wonderful experience, and a great opportunity to listen and learn from our clergy, from Archbishop Fred Hiltz to Bishop Linda and Bishop Terry Dance, and also from clergy and lay delegates from other regions in our Diocese.

## Deanery of Essex 6th Annual Mixed Golf Tournament

The 2018 Essex Deanery Golf Tournament, held at Seven Lakes Golf and Country Club this past June 20 was, as per usual, a great success. Although our two foursomes could not retain the first place trophy from last year's victory, we thank John Rossi, Onorio Felet, Kenji Kenno, and Jody Crawford as well as Scott Ritchie, Bill McAdam, Tom Dunsmore and Mark Goldspink for allowing St. Matthew's to still be honourably represented at the tourney. Prizes and a nice BBQ at St. Mary's completed the festivities. Thanks to all participants and also those who purchased raffle tickets!

**All proceeds will support the Youth and Children Ministry in Essex Deanery.**

## Distinguished visitors at St. Matthew's

On Sunday, September 23, we welcomed a small delegation from our companion Diocese of Amazonia: the Rt. Rev'd Marinez R. Santos Bassotto (Bishop of the Anglican Diocese of Amazonia), the Rev'd Cláudio Miranda (Dean of the Cathedral in Belém, Brazil), and lay leader Ms. Marcia Gonçalves.

**Photo right:** Dr. John Anderson and his wife Jean (first and third from left), from the Parish of St. Mark's by the Lake, assisted Rev'd Cláudio and Ms. Gonçalves as English-Portuguese interpreters, during our fellowship hour. **Photos far right:** John and Rev'd Cláudio during Q&A time; Marcia offering brochures about the Diocese of Amazonia to the congregation.

## Rev'd Cathy's Corner

### What a great beginning to St. Matthew's outreach ministry.

A load of food stuffs went to the Welcome Centre for homeless women and children in the west end this summer. Backpacks and coloured pencils were donated. We are set for this next year with backpacks for homeless released inmates (see photo). Mark, the volunteer co-ordinator at the Detention Centre, was delighted with the gym bag + a large grocery bag full of boxes of coloured pencils for the inmates. The sewing programme is up and running with six teachers from St. Matthew's, St. Stephen's Oldcastle and Church of the Epiphany, Kingsville. Trunk loads of items go to Hiatus House on a regular basis thanks to Pauline and Don Patterson.

Our need for Marlborough Breakfast Programme is ongoing. The average cost of a hot breakfast is between \$41 and \$45 depending on the cost of fruit. We have eight teams this year with 4 new cooks and 1 new muffin maker. This is wonderful for participation in our ministry to the hungry. A big thank-you to those of you who have contributed to our collection in September. For those of us, myself included, who want to add to our balance, we will continue to accept your donation. Put it in an envelope and mark it Marlborough Breakfast and we will use it to feed the kids.

This fall we will be collecting food items for Windsor Homes Coalition for their food bank and particularly their Christmas boxes for their clients. Each box is geared to the number of folks in each of their homes and are hand delivered to them by staff and volunteers in the week before Christmas.

**What a delight it is to be a member of a church community that does such active and varied ministry as the Body of Christ in the world. We are truly blessed.**

## Harvest Thanksgiving

Our Chancel Guild diligently decorated the Sanctuary for our Harvest Thanksgiving Service (Sunday September 30), using all the fresh produce and dry goods generously donated by the congregation.

After the service, parishioners helped pack and deliver the bountiful gifts, right on time to supplement many Thanksgiving dinners for those in need.

**This season, please remember Hiatus House, the Southwest Detention Centre, and our Food Cupboard. Thank you!**

## Stained Glass Dedication By Doug Warford

The beautiful stained glass in the narthex (photo, right) was designed and donated by my sister, Mary Warford. Mary was gifted in her use of stained glass, and created many memorable pieces that are absolutely beautiful in their colours and patterns. She took up stained glass originally as a hobby and worked on it in her small apartment in London, Ontario. She quickly discovered that she had a talent for it. In the beginning, she was very productive at creating different works (see other examples, below.) Many apartments in her buildings still have pieces of her art hanging on the walls. Her aim was to open a small business to work on her stained glass. As time progressed, she became physically less able to cut the glass, especially the small pieces required for certain patterns, which are very difficult to cut. Eventually she had to discontinue her work as cancer never allowed her to continue.

*To the Glory of God  
and in Loving Memory of  
Mary Warford*

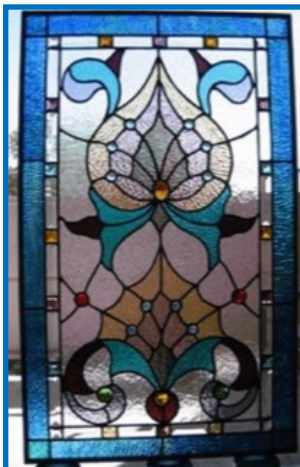

Mary Warford and  
granddaughter

Despite many difficulties in her life, she gave warmly and freely to others while maintaining a strong individuality. Her giving spirit was especially evident every Christmas when she alone hosted and prepared Christmas Dinner for her family in her small apartment – all fourteen of us! What warm and wonderful times we would have. **I am honoured that a piece of her work hangs to the glory of God in St. Matthew's.**

On July 8, 2018, during our 10 am service, Mary's precious donation was formally dedicated by our rector, the Rev'd Andreas Thiel, with the following prayer:

*"We give you thanks, O God, as we dedicate this stained glass creation to your glory and praise. We thank you for having blessed Mary Warford with gifts of artistry, and for giving her the desire to craft this object of beauty. Grant those who look upon it, faith to know your gracious purpose in all things, give us joy in them, and lead us to the building up of your kingdom; through your Son, Jesus Christ, our Savior and Lord, who lives and reigns with you and the Holy Spirit, one God, now and forever ... Amen"*

# *Choral Evensong at St. Matthew's*

Sunday, September 23    Text by Irene Savva    Photography by Gordon Drake

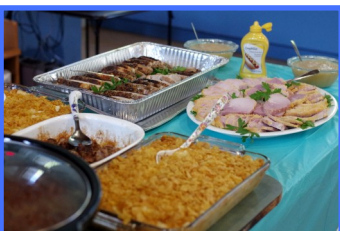

The talented choristers from St. Paul's Cathedral led us in a special Service of Choral Evensong, according to the Book of Common Prayer, under the direction of Andrew Keegan Mackriell; with organist Michael Bloss (from Christ Church cathedral, in Hamilton); and our rector, the Rev'd Andreas Thiel, as officiant.

St. Matthew's parishioner Doug Warford read the lessons for the evening; we were also honoured by the participation of the Rev'd Gayle Rawlings (Honourary Assistant at St. Mary's, Walkerville), who delivered an interesting sermon focused around the concepts of peace, balance and confidence in God's love.

The evening concluded with a plentiful potluck supper and dessert table, in the parish hall.

**Thank you to all involved for your gifts, time and participation!**

## YOUTH @ ST. M'S

### Our "Sundae" School June 24

With a delightful metaphor for life and our blessings (such as sports and good teachers) being like ice cream enriched with chocolate sauce and sprinkles, our Sunday school treated the congregation to an ice cream sundae bar to celebrate the end of the school year ...

### Blessing of the backpacks September 9

... And then, it was time to go back! Summer always seems too short, but our children started the new school year with the right tools, such as their new backpacks, which were blessed by our rector, the Rev'd Andreas Thiel, on Sunday, September 9.

### St. Matthew's Day September 16

Our inter-generational service was followed by a tasty BBQ and potluck spread, and concluded with a hilarious round of games and candy toss, the metaphorical cherry at the top of our cool St. Matthew's Day celebrations.

## Summer postcards: Learning about other churches

Hello, St. Matthew's! I'm attaching some pics of our family vacation in Quebec City. Please note the following:

- The Cathedral of the Holy Trinity was the first Anglican church built outside the British Isles.
- Doors on pews prevent early escape during homily.
- Patti at the outdoor market on the grounds of the church (jewellery, etc... Hello, Craft Guild? Just saying)

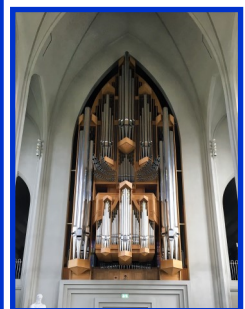

Also, I tried poutine for the 1st time ..... Another item crossed off bucket list.

John Rossi

Greetings from the Savva family from Reykjavík, Iceland! The Lutheran church of Hallgrímur was consecrated in 1986; at 74.5m (244 ft), it is one of the tallest structures in the country.

The statue of explorer Leif Erikson (1930) in front of the church commemorates the 1000th anniversary of Iceland's parliament at Pingvellir (930 AD). The church houses an impressive pipe organ built by Johannes Klais of Bonn, Germany. All the best, Irene

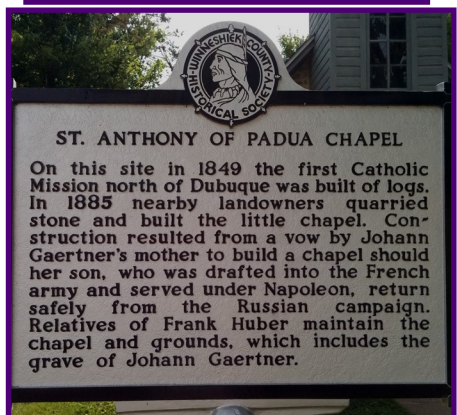

Dear St. Matthew's family,

I am enclosing a view of St. Wenceslaus' church in Spillville, Iowa, where the Czech composer, Antonin Dvorak worshiped; the church organ (also depicted) is the one he played (to the delight of local parishioners) while summering with his family, in 1893. In the churchyard, you may be able to see the distinctive iron crosses that are a feature of the area. The other set of photos features Anya next to the "smallest church in the world", located just outside Festina, IA, and a brief story of thanksgiving, as explained on the plaque.

May the practice of gratefulness continue to accompany us all into a fulfilling season called 'Extraordinary'!

Blessings,

Andreas+

**On June 10**, another lively Spring Concert took place at St. Matthew's, hosted by the Oasis Women's Choir of Windsor & Essex County. [oasiswomenschoir.ca](http://oasiswomenschoir.ca)

**On June 16**, a wonderful Tea Time gathering - graciously hosted by Mary Lou Drake - served as a fundraising opportunity, while the ladies in attendance enjoyed a marvelous selection of teas and treats. A fun "share, exchange, and let it go" activity resulted in a grand total of \$360.00 in donations, going towards our Roof Fund.

Last June, the Rev'd Bob Roberts joined us for worship as guest preacher with another one of his eloquent homilies. On that month, he also celebrated his 45th Anniversary of ordination.

**Happy Anniversary Rev'd Bob!**

**Special Summer Services**—St. Matthew's welcomed The Rev'd Bill Bradley as guest minister, on July 29 and August 12. The Rev'd Cathy MacKendrick, our deacon, presided Services of the Word on July 22 and August 5.

On July 29, we celebrated long time parishioner, choir member and dedicated volunteer, **Richard Postovit**, in occasion of his 60th birthday (July 27, 2018).

**Happy Birthday, Richard!**

On September 15 2013, the Rev'd Andreas Thiel presided our services for the first time, and we welcomed him and his wife Anya to our St. Matthew's family, with cake. This year, it only seemed fit to celebrate the 5th anniversary of such a momentous occasion in a similar fashion.

## And to Conclude on a Happy Note ...

A man and his wife were having an argument to decide who should brew the coffee each morning. The wife said, 'You should do it because you get up first, and then we don't have to wait as long to get our coffee.' The husband said, 'You are in charge of cooking around here and you should do it, I can just wait for my coffee.' The wife replied, 'No, you should do it, and besides, it is in the Bible that the man should do the coffee.' The husband was puzzled, and said, 'I can't believe that, show me.' So the wife fetched the Bible, opened the New Testament, and showed the husband that, at the top of several pages, it indeed says:
